**Attention Pet Owner:** Dogs are required to be licensed at 4 months of age or within 30 days of ownership or bringing the animal into the City. Penalty must be assessed for late licenses. Veterinarians are required by City Ordinance to furnish a copy of your pet's rabies vaccination to the City Licensing Authority.

**To Purchase a License:** If you did not pay for your license at the time of vaccination, please **mail your payment and a copy of your pet's current rabies vaccination certificate** (this form if signed by your veterinarian). Make checks or money orders payable to *City of Oakland Animal Services*, and send it to the mailing address on the top right of this form.
