

# Highland Village Animal Registration

Registering your pet is more than a legal requirement.  
It also shows that your pet is loved and cherished.

## Who needs to register?

Highland Village Ordinance requires all dogs and cats older than 4 months who are kept within the city limits to have a current rabies vaccination and city registration. The registration must be renewed annually. The registration tag should always be worn by your pet, especially when it is outdoors.

## What are the benefits of registering your pet?

- A registration tag shows that your pet is not a homeless stray.
- Found pets can be reunited more quickly with their owners.
- Your lost pet gets a longer care period when taken to a shelter.
- Your registration shows your pet has been vaccinated for rabies.

## How much does it cost?

A city registration is only \$5 per pet. Pet owners who are age 65 or over may register for free with proof of age.
