Special Regulations for Potentially Dangerous or Dangerous Dogs

There are special regulations for licensing dogs deemed potentially dangerous and dangerous. Owners are required to register dangerous or potentially dangerous dogs at the Tri-Cities Animal Shelter located at 1312 S. 18th Avenue, Pasco WA 99301. Call (509) 545-3740 regarding these regulations.

The Pasco City Municipal Code (Chapter 6.05.010) defines "potentially dangerous animal" as any animal that when unprovoked: (1) inflicts injury on a human or a domestic animal or livestock, or (b) chases or approaches a person upon the streets, sidewalks, any public grounds, or upon private property other than that of the animal's owner, in a menacing fashion or apparent attitude of attack, or (c) has a known propensity, tendency, or disposition to attack, or to cause injury or otherwise to threaten the safety of humans or domestic animals. There are certain requirements that must be met to maintain potentially dangerous or dangerous dogs in the City limits. Exemptions to the requirements are available in some cases.
